**ADEX Medical Staffing, LLC AWARDED RE-CERTIFICATION FROM  
THE JOINT COMMISSION**

Alpharetta, GA March 11, 2014 – ADEX Medical Staffing, LLC has achieved the Gold Seal of Approval® for health care staffing services re-certification from The Joint Commission.

ADEX Medical Staffing underwent an on-site review of its compliance with national standards that assess how staffing firms determine the qualifications and competency of their staff, how they place their staff, and how they monitor their staff's performance.

“Health care organizations that contract with ADEX Medical Staffing can look to Joint Commission certification as an assurance that ADEX Medical Staffing demonstrates a commitment to providing and continuously improving quality services,” says Michele Sacco, M.S., Executive Director, Health Care Staffing Services Certification, The Joint Commission.

“Certification recognizes ADEX Medical Staffing’s dedication to providing nurses, allied professionals, etc., that are qualified to provide safe, high-quality care to patients,” says Jim Shoemaker, Chief Clinical Officer. “We’re proud to receive re-certification of The Joint Commission’s Gold Seal of Approval™.” ADEX Medical Staffing received their initial Joint Commission Certification in December of 2009.

Founded in 1951, The Joint Commission seeks to continuously improve health care for the public, in collaboration with other stakeholders, by evaluating health care organizations and inspiring them to excel in providing safe and effective care of the highest quality and value. The Joint Commission evaluates and accredits more than 20,000 health care organizations and programs in the United States, including more than 10,600 hospitals and home care organizations, and more than 6,600 other health care organizations that provide long term care, behavioral health care, laboratory and ambulatory care services. The Joint Commission also certifies more than 2,400 disease-specific care programs such as stroke, heart failure, joint replacement and stroke rehabilitation, and 400 health care staffing services. An independent, not-for-profit organization, The Joint Commission is the nation's oldest and largest standards-setting and accrediting body in health care.
